

## St. Johns County Board of County Commissioners

Communications Division

### St. Johns Declared Purple Heart County and Raises POW/MIA Flag

St. Johns County honored more than 40 purple heart recipients and was declared a Purple Heart County at the May 15 regular Board of County Commissioners meeting. In conjunction with the declaration, the County also held a ceremony raising the Prisoner of War/Missing in Action (POW/MIA) Flag for the first time, and in perpetuity, over the County Administration and Health and Human Services buildings to commemorate those who are prisoners of war or remain missing in action. For more information on Veterans Services in St. Johns County, please call 904.209.6160.
